Carrying the SDS Mission Forward

God commands us to love one another! Our mission is to show God's love and goodness wherever there is a need. *"You have been told what is good, and what the Lord requires of you: only to do right, to love goodness and to walk humbly with your God."* Micah 6:8

As Christians, we are called to be witnesses of God's love and compassion. Our core values are at the heart of our mission:

- Improve the quality of life
- Promote justice
- Serve in solidarity with the poor
- Collaborate
- Practice responsible stewardship

As Jesus Christ reached out to every person, so we try to serve together in a spirit of universal love and respect. Many of you are deeply concerned about others. How many times have you asked, "What can I do?" We ask that you consider linking your efforts to the Now and the Timeless by supporting our Salvatorian mission. Together we will make a difference in our communities and our world.

Sisters of the Divine Savior

Proclaiming the Savior

Your generous gift will carry the Gospel to places far beyond you. II Cor 10: 16-17

"Pass it Forward" is a phrase many use to emphasize how good works and deeds can continue if we each take responsibility for loving our neighbor. Because of our shared commitment and partnership with the Sisters of the Divine Savior's mission, we know that passion and compassion can live beyond our own times. For over 120 years, the Sisters of the Divine Savior have counted on and been blessed with such collaborative support. We are grateful and humbled that you believe in us as we do you. We are people of hope. This hope transcends each of our times and will carry our mission forward.

All of us want fulfilling lives surrounded by family and friends. We want to make a difference in our own lives and help make the world a better place. A bequest or a planned gift is one way to have a lasting impact on the lives of people we cherish and organizations we admire. What kind of legacy will we leave? We hope you open your hearts and consider the global and home missions of the Sisters of the Divine Savior. We need your help if we are to sustain our mission for future generations. Your gifts really do make a difference. With your generous and thoughtful planning, our mission of service will live for generations to come. Your light of hope and concern can continue burning into the future here and globally.
